Important Notes

General

1. Unless specified otherwise, all transactions are executed by Futu Securities International (Hong Kong) Limited (the "Company") as an agent. The Company acts as a principal to conduct the transactions under Post-IPO Securities Purchasing Service in US Stock Market with its clients. The Company acts as a principal to conduct the transactions in certain structured products or bonds with its clients, please refer to the trading page for details.
2. This statement is a computer generated document, no signature is required. If client identify any omission or error in the statement, please notify the Company in writing within 2 business days. Otherwise, the client is considered as agree that the content of the statement is accurate and correct.
3. This statement serves as a receipt for the client assets or security provided by client in relation to a margined transaction received. The provision of this statement by the Company to the client represents the compliance with the relevant preparation and provision requirements of the Securities and Futures (Contract Notes, Statements of Account and Receipts) Rules. Please keep this statement for your record.
4. All transactions made for or on behalf of clients shall be subject to the relevant provisions of the constitution, Exchange Rules, regulations, by-laws, customs and usages of the Exchange, the Central Clearing and Settlement System Rules and the Laws of Hong Kong or the applicable laws and regulations of local jurisdiction, as amended from time to time, and it shall be binding on both the Company and its clients. Client may liaise with Hong Kong Exchanges and Clearing Limited ("HKEx") to review the relevant rules of Exchange.
5. Transaction marked with an asterisk (*) are the forced liquidation transaction initiated by the Company.
6. The client assets are being held by the Company for safe custody purposes in accordance with the Securities and Futures Ordinance ("SFO").
7. Assets received or held outside Hong Kong may be subjected to the applicable laws and regulations of the relevant overseas jurisdictions. The legislations of the relevant overseas jurisdictions may be different from those relevant applicable laws and regulations in Hong Kong, so the assets received or held outside Hong Kong may not enjoy the same protection as that conferred on assets received or held in Hong Kong.
8. In the event of a default committed by the Company resulting in the client suffering any pecuniary loss, the client shall have right to claim under the Investor Compensation Fund established under the SFO, subject to the terms (to be updated from time to time) of the Investor Compensation Fund.
9. The company may choose strategies provided by third party upstream brokers to place orders which will be subject to rebates or non-monetary benefits. Orders will be placed based on the client's instructions and it is executed by using the strategies with the best execution conditions.
10. There may be slight differences in different parts of the statement due to variations in decimal handling.

Services and Fee/Charges Related

1. Price(s) or exchange rate(s) herein is sourced from external vendors and is used for reference purpose only, it is not a representation that the client can trade the relevant products at such price(s) or exchange rate(s) in the relevant market(s), nor does it necessarily reflect the true value thereof. The Company does not liable for any error or omission in respect of the said price(s) or exchange rate(s).
2. Any transaction amount, taxes, fees and commission in relation to securities dealing denominated in currencies other than HKD shall be calculated or paid in the respective currencies. There may be differences for the actual fees/charges due to exchange rate fluctuation and frequent variation.
3. According the applicable terms of Client Agreement, the Company is authorized to charge the appropriate fees in accordance with the rules prescribed by the Exchange(s) from time to time, the relevant transaction fees including but not limited to the fees collected by the relevant stock exchange or clearing organizations, fees or transaction sales tax chargeable by the relevant Government, plus any other fees that may occur without prior notice in advance (For instance, the fees charged by the external entity and etc). If client have any enquiries, please contact us for more details.
4. The Company reserves the right to adjust the fee and charges without prior notice. The Fee Schedule can be found in Futubull APP or at the website of the Company. The actual fees that the client must pay should be referenced to the amount required by the Company.
5. The stamp duty of executed transactions has been / will be paid directly by the Company or through the relevant exchanges or upstream broker(s) to the relevant tax authority. If the transaction currency is a foreign currency, the stamp duty will be calculated by converting the transaction amount into Hong Kong dollars by using the exchange rate prescribed by the Hong Kong legislation Cap.117 of Stamp Duty Ordinance.
6. Investors are liable to pay the Italian Financial Transaction Tax ("IFTT") in respect of any transactions involving the transfer of shares issued by companies resident in Italy and the related financial derivatives. To minimize the administration cost (if any) to clients, the Company does not accept any orders in SEHK for trading the relevant shares and financial instruments which are subject to IFTT including but not limited to shares in PRADA S.p.A (SEHK Stock Code: 01913) and its related derivatives until further notice.
7. For shorting selling of Hong Kong listed shares, the Company registers the "Securities Lending Agreement" as an agent on your behalf and pay the IRD registration fee.
8. US Stock Option settlement fees are assessed by the upstream entity like US settlement agencies to cover costs including but not limited to NSCC and DTC fees. US Stock Option settlement fees uses a blended rate calculation formula. If the client ends up with an amount discrepancy by the blended rate calculation results, the charging party will retain any excess fees, but will not charge the clients for any deficiency.

9. Stamp duty, CCASS stock settlement fee, transaction fee, transaction levy, Securities and Futures Commission fee, handling fee, securities management fee, transfer fee/registration and transfer fee, securities portfolio fee, and transaction activity fee represent the charges by the relevant exchanges, settlement agencies, upstream brokers, government and securities regulatory authorities which are collected and paid to the relevant exchanges, clearing houses, upstream brokers, government and securities regulatory authorities as required.
10. Effective May 25, 2025, EST, the Consolidated Audit Trail (CAT) fee will be applied to your trading activity for buying and selling transactions of US stock and US options. The fee will be collected by FINRA and the purpose is to fund the development and maintenance of CAT systems.

Funding & Stock Transfer Related

1. Clients must submit valid documentation to the Company within the specified timeframe to confirm that the deposit is transferred from his/her own bank account. Acceptable valid documentation including but not limited to, bank statements, cheque images, and online banking screenshots. In general, the Company will credit the deposit to the Client account on the day that valid documentation provided is verified. It is reminded that clients will be liable for any relevant interest, commission, fines and other charges which may be incurred as a result of "not yet credited" that deposit before verification of valid documentation.
2. Hong Kong Stock Physical Scrip Deposit processing status:
 - a. "holding" represents that the company has received client's physical scrip which is under the stock deposit process and it is not available for trading;
 - b. "cancelled" represents that client's order to deposit physical scrip has been cancelled;
 - c. "confirmed" represents that deposit of client's physical scrip has been confirmed and it is available for trading.
3. The payment or distribution in relation to the corporate action of a listed company to collect or receive or take any other measures (including distribution of rights or entitlements, conversion, takeover, other corporate actions or abnormal trading activities) may involve counterparty default risk and operational risk (such as outstanding balance or delayed execution of instruction). Therefore, the actual completion date of the corporate action depends on an arrangement of the Company/upstream broker/settlement agent and it may not be the same as per announcement of the listed company. The Company shall have no liabilities and obligations as stated below:
 - a. any liability in respect of errors or delays; and
 - b. any obligation to continue or repeat any such action.

Standing Authorities

1. (This section applies only to margin clients.) The above securities are held by the Company under the Securities and Futures Ordinance and the Securities and Futures (Client Securities) Rules. You have provided the Company with a standing authority to authorize the Company to re-pledge the above securities held by it in accordance with the Securities and Futures (Client Securities) Rules. The Company has re-pledged the above securities held by it during the period covered by this statement.
2. The standing authority (client money and client securities) is valid for 12 months from the date of authorization. The client will receive an email notification at least 14 days before the expiration date to update and renew its authorization to continue to receive services. If the client does not object through written notice, the standing authority will be renewed automatically.

Options Trade Confirmations

1. The Company is an Options Trading Exchange Participant on SEHK and it has executed one or more Options Contracts on the same terms with the Client Contracts or Option Broker's Client Contracts.
2. Options can involve a high degree of risk and may not be suitable for every investor. Investors should ensure they understand those risks before participating in the options market.
3. All Exchange Traded Options Business conducted by the Company on behalf of a client shall be subject to the relevant provisions of the constitution, Rules of The Stock Exchange of Hong Kong Limited ("SEHK Rules"), regulations, the Articles, customs and usages of SEHK, the Options Trading Rules, the Clearing Rules of SEOCH, the CCASS Rules, and the laws of Hong Kong or the applicable laws and regulations of local jurisdiction, which shall be binding on both the Company and the client.
